

About the Communicator Awards:

The Communicator Awards is the leading global awards program honoring creative excellence for marketing and communications professionals. Founded nearly three decades ago, The Communicator Awards is an annual competition recognizing the best in advertising, corporate communications, public relations and design. The 29th Annual Communicator Awards received around 3,000 entries from ad agencies, digital agencies, production firms, in-house creative & communications professionals, graphic designers, design firms, and public relations firms.

Who is behind the Communicator:

The Communicator Awards are judged and overseen by the Academy of Interactive and Visual Arts (AIVA). The AIVA is an invitation-only member-based organization of leading professionals from various disciplines of the visual arts dedicated to embracing progress and the evolving nature of traditional and interactive media. Current membership represents a “Who’s Who” of acclaimed media, advertising, and marketing firms, including: GE Digital, Warner Records, Spotify, PureMatter, Accenture Song, Fast Company, Superfly, and many others. Please visit aiva.org for more information.

Judging and Awarding:

Entries are judged to evaluate distinction in creative work. In determining Excellence and Distinction Winners, entries are judged on their merits against a standard of excellence considering the category entered. A category may have multiple winners, or may have none. Entries are scored on a 100-point scale by the judges. Generally, Excellence Winners receive a score of 90 or above and Distinction Winners receive a score of 70 to 89.

Promoting Your Achievement:

Communicator Award of Excellence winners have the opportunity to be included in the Winner’s Gallery, designed to honor and recognize top level award winners. The interactive gallery showcases the best creative work submitted from year to year and allows us to further recognize excellence in the visual arts. Visit communicatorawards.com/winners/gallery/ for more information.
